### **How did Linden Hall affect your life after graduation?**

Linden Hall has always been known for its excellent and dedicated teachers. I was most fortunate to have had Mrs. Shackart for mathematics (my favorite subject), and Pat Sullivan as an advisor and mentor who encouraged me to become class president and reach for goals beyond my expectations. Beyond math, my interests were riding and sailing.

My years at Linden Hall provided me with the foundation and confidence that enabled me to achieve more than I ever imagined.

Three years. I entered Linden Hall as a Sophomore and graduated in 1956. I returned to Linden Hall a few years later as an Advisor and administered the Riding Program.
